Admiral Bundy:

Please don't ruin a good melody by
a few sour notes.

If there's logic in Indian Ocean Task
Force (and it's military as much as political),
this logic holds for twelve months of the year--
not just two or three.

Should we tell Ayub that we can
protect him in February, May and October
but not the rest of the year?

Should we tell the Shah that he gets
April and November but no other coverage?

Sgt. Komer
